

## Publications order form

Please return this form, enclosing a cheque made out to FCF CG for the appropriate sum, to the address below. All prices include postage and packing.

### Community garden starter pack

This has been written to help with the often complex issues involved in starting or developing a community garden. It contains advice on various topics including legal obligations, fundraising and negotiating for a site. For groups in Scotland, an edition is available incorporating Scottish law and contact details – please indicate below if you would like to receive this version.

Price: £6.00

Please send me the Scottish edition:

Number of copies:

### City farm starter pack

As above, but with the inclusion of livestock information for groups starting a city farm. For groups in Scotland, an edition is available incorporating Scottish law and contact details – please indicate below if you would like to receive this version.

Price: £6.00

Please send me the Scottish edition:

Number of copies:

### Chillies & Roses: Inspiring ethnic minority involvement at community gardens and farms

Working alongside minority ethnic communities is an important element of the community gardens and city farms movement. This fantastic full-colour 44-page publication showcases examples of good practice and identifies innovative ideas that will help community initiatives meet the needs of, and engage with, multi-ethnic communities.

Price: £10.00

Number of copies:

### Good Practice Case Studies

This pack contains examples of good practice in different areas of their work as demonstrated by city farms and community gardens. Areas of work covered include: Working with young people; Linking classroom activities and learning; Volunteering and Operating mobile animal units.

Price: £5.00

## Food and Shelter education packs

Two unique resource packs that use food and shelter to link communities throughout the world. Especially suited for use with Key Stage 2 pupils.

**Grains Education Pack** - covers the universal themes of grains and bread which act as a vital food source for the majority of the planet. Please note: this pack is now only available as a photocopy.

**Price: £2**

**Number of copies:**

**Yurt Education Pack** - based on sustainable shelter and nomadic life. This pack covers the cultural, social and environmental aspects of the yurt and those who live in them.

**Price: £6**

**Number of copies:**

## Child protection guidelines £2.00

These guidelines include information on recruitment of staff and volunteers, dealing with suspicion of abuse, good working practice and where to go for support. Can be used as a checklist to ensure your farm or garden is a safe environment for children.

**Price: £2.00**

**Number of copies:**

## farm/garden postcard book £2.00

This beautiful postcard book contains 18 images from city farms and community gardens across the country, taken by FCFCG Artist in Residence 2005, Nessie Ramm. The images celebrate the contrast of landscapes at these wonderful and varied projects, with tower blocks, factories and houses forming the backdrop to grazing animals and blooming flowers.

**Price: £2.00**
